Testimony on HB 51 Fish, Wildlife and Parks Committee February 10, 2009

Mr. Chairman and Members of the Committee

Montana Audubon opposes HB 51.

Montana's state park system has struggled to find an adequate funding source. In 2003, the Montana Legislature set up the current fee attached to vehicle registration. Having Montanans support our park system by donating \$4 annually is a small price to pay for an important resource. We are concerned that if individuals have to "opt in" in order to contribute those funds, that our park system will lose its base funding.

A healthy state park system is important to many of our communities. The current system is working. Please don't change that system—vote no on HB 51.
